**COMMENTS ON STATEMENT  
OF REASONS FOR ALLOWANCE**

Sir:

In response to the Notice of Allowability mailed January 12, 2005, the applicant, having considered the examiner's statement of reasons for allowance would note that the actual reason for allowance is that the allowed claims have elements which distinguish from the prior art, that is, the prior art does not disclose, teach or suggest "deactivatable impeding means", and the remarks and inventor declaration support this distinction.

Respectfully submitted,
